

Zeta Beta Tau

A Brotherhood of Kappa Nu, Phi Alpha, Phi Epsilon Pi, Phi Sigma Delta, Zeta Beta Tau

Hazing Prevention Policy

Zeta Beta Tau Fraternity leadership believes pledging is indicative of a culture of hazing that we do not support, and that is the main reason our brotherhood chose to abolish the process nearly 30 years ago. Since the practice of pledging and all second-class status practices were abolished in 1989, all men are initiated as full equals with full rights and respect within 72 hours of being invited to join the Fraternity.

The Zeta Beta Tau International Constitution and Code both include language banning hazing in our Brotherhood, and ZBT's coverage as part of the Risk Management Policy of FIPG, Inc. includes anti-hazing provisions, which follow and shall apply to all Fraternity entities and all brothers of the Fraternity.
