

Zeta Beta Tau

A Brotherhood of Kappa Nu, Phi Alpha, Phi Epsilon Pi, Phi Sigma Delta, Zeta Beta Tau

The Standards Board serves as a wholly separate entity from the Executive Board. The Standards Director and the other members of the Standards Board are elected by the chapter/colony as a whole. A brother may not serve on both the Standards Board and the Executive Board at the same time. Minimally, the Standards Board should comprise 5 members, the Standards Director and 4 members each representing a class of the Fraternity (freshmen, sophomores, juniors and seniors). As the chapter/colony grows, they may choose to add up to 2 additional members to the board who may represent any class of the Fraternity.

Standards Director

The Standards Director shall serve as the chair of the Standards Board. He shall convene the Standards Board at any time a complaint or grievance is submitted to the Standards Board or at any other time the Board believes they have the responsibility to hold a brother accountable for his actions. He shall lead discussions on issues at hand, charge the board to determine responsibility of violations and create plans to address issues and challenge and grow brothers. The Standards Director shall share the Standards Boards decisions with the Operations Director or he may attend Executive Board meetings directly to report when necessary. He shall perform all other duties as assigned by the Executive Board or the chapter's governing documents.
