Zeta Beta Tau is a member of the North-American Interfraternity Conference (NIC). Under NIC by-laws, a brother of ZBT is not eligible for membership into another NIC member fraternity until he is released from membership from ZBT.

When a member of ZBT transfers schools, he may become a member in the ZBT chapter at his new school, start a new chapter at his new school, or request alumni status from ZBT. If there is no chapter at your new school, we strongly encourage you to discuss with the International Office how to start a prospective chapter.

In order to be eligible for release from membership, the member of ZBT shall not have any outstanding financial obligations to the fraternity nor shall he have any outstanding disciplinary sanctions against him.
