- If making a request for a Shabbat dinner, a robust educational component is required, such as an external expert speaker.

Grant requests must fit into one of the following categories:

- Social action programming (Community work with education in alignment with Tikkun Olam).

If partnering with another organization, a quote from the partner staff or officer should be included.

Helpful tips

- In the application, include a detailed explanation as to how the program fits the requirements.
- ZBT does not provide payment until AFTER the program occurs. This is a reimbursement-based program. The chapter or the partner organization will pay for the event and then submit the receipt(s) on the [Chapter Heritage Grant Feedback Form](#) to receive funds.
- Chapters are encouraged to invite local alumni and chapter advisor(s) to attend program.
- Chapters are encouraged to work with campus or local media for press coverage. Please send any published press or recognition of the event to ZBT International Headquarters.

These grants are made possible by the generous support of the Zeta Beta Tau Foundation. To learn more about your Foundation, please visit zbtfoundation.org.
