ATTENDANCE POLICY

- Every Executive Board member is required to attend the Virtual Officer Institute.
- Every Chapter is required to send four delegates to the closest Regional Officer Institute. If your Chapter is located farther than 350 miles away from a host city, only two executive officers/delegates are required to attend.
- Full event participation, including attendance at every session, including general and education sessions, is required. Event fees for both programs are included in your international dues.
- Additional brothers from your chapter are encouraged to attend both VOI and ROI. They will have the opportunity to sit in on tracks for roles they aspire to hold (with the exception of Chapter President).
- Travel to and from the host cities for Regional Officer Institutes is not included. You are encouraged to apply for travel assistance funds if your chapter is in need.

If your chapter does not meet these expectations:

Those chapters that do not register and subsequently attend both the VOI and the ROI will be subject to a \$300 fine at the directive of the Supreme Council. Undergraduate brothers who register but don't attend and actively participate in the event will be subject to a \$300 fine. You may cancel or replace delegates. Those found to be noncompliant will have an opportunity to show cause to the Supreme Council for the challenge before the fine is levied.

To request an exemption to any policy above, please email Kristin Fouts at kfouts@zbtnational.org.
