How to Appeal an Expulsion from the Fraternity

1. All appeals must be received in the International Office within **30** days of the date of the original letter of expulsion. No appeals will be considered after that time.
2. **All appeals must be submitted in writing by completing the [Appeal to the Discipline Board form](#). You must present details of why you believe that you should be reinstated.**
3. If the expulsion(s) was the result of behavior judged to be in violation of the Fraternity's policies or financial, then appeal letters must be submitted individually by the person(s) appealing.
4. If the chapter's charter is revoked as a result of expulsion orders leaving the chapter with too few members to be viable, and if at least 25 members are reinstated to good standing as a result of the appeals process, those members may request, in writing to the Supreme Council, that the chapter's charter be restored to them.

If a chapter's charter is withdrawn, the Fraternity's liability insurance coverage for that unit, its members, officers, and advisors is canceled immediately. In addition, the IRS is advised that the unit is no longer entitled to exemption from federal income tax as a result of ZBT's group exemption.

Expelled members are not permitted to use or wear ZBT's legally protected name, logos, or other identification.
